"Believer" is a song by American rock band Imagine Dragons. The song was released on 1 February 2017. Singer: Imagine Dragons. Composer: Mattman & Robin. Music: Imagine Dragons. Song Writer: Dan Reynolds, Wayne Sermon, Ben McKee, Daniel Platzman, Justin Tranter. First things first! I'ma say all the words inside my head! I'm fired up and tired of the way that things have been, oh-oh! The way that things have been, oh-oh! Second thing second! Don't you tell me what you think that I can be! I'm the one at the sail, I'm the master of my sea, oh-oh! The master of my sea, oh-oh! I was broken from a young age. Taking my sulking to the masses. Write down my poems for the few! That looked at me, took to me, shook to me, feeling me. Singing from heartache from the pain. Taking my message from the veins. Speaking my lesson from the brain. Seeing the beauty through the... Pain! You made me a, you made me a believer, believer! (Pain, pain) You break me down, you build me up, believer, believer! (Pain, pain) I let the bullets fly, oh, let them rain! My luck, my love, my God, they came from (Pain) You made me a, you made me a believer, believer! Last things last! By the grace of the fire and the flames! You're the face of the future, the blood in my veins, oh-oh! The blood in my veins, oh-oh! But they never did, ever lived, ebbing and flowing! Inhibited, limited! Till it broke open and rained down! Pain! You made me a, you made me a believer, believer! You break me down and build me up, believer, believer! Oh, let the bullets fly, oh, let them rain! My life, my love, my drive, it came from... You made me a, you made me a believer, believer! First things first! Can you imagine what's about to happen? It's Weezy the Dragon, I link with the Dragons! And we gon' get ratchet, no need for imaginin'! This is what's happenin'! Second thing second, I reckon immaculate! I know that strength, it don't come, don't come without strateg! I know the sweet, it don't come without cavities! I know the passages come with some traffic! Start with from the basement, end up in the attic! Whoever call me out, they simply can't count! Let's get mathematic, I'm up in this, huh! You a believer? I get a unicorn out of a zebra! Wear my uniform like a tuxedo! This dragon don't hold his breath, don't hold his breath, don't hold his breath! Love you Ms. Cita, like (Pain) You made me a, you made me a believer, believer! (Pain, pain) You break me down, you built me up, believer, believer! (Pain, pain) I let the bullets fly, oh, let them rain! My luck, my love, my God, they came from (Pain) You made me a, you made me a believer, believer! Last things last! By the grace of the fire and the flames! You're the face of the future, the blood in my veins, oh-oh! The blood in my veins, oh-oh! But they never did, ever lived, ebbing and flowing! Inhibited, limited! Till it broke open and rained down! It rained down! It rained down, like (Pain) You made me a, you made me a believer, believer! (Pain, pain) You break me down, you built me up, believer, believer! (Pain, pain) I let the bullets fly, oh, let them rain! My luck, my love, my God, they came from (Pain) You made me a, you made me a believer, believer! 2017 song by Imagine Dragons "Believer" Single by Imagine Dragons from the album Evolve Released February 1, 2017 (2017-02-01) Recorded 2016 Genre Arena rock [1] pop rock [2] Length 3:24 Label Interscope Kidinakorner Songwriter(s) Dan Reynolds Wayne Sermon Ben McKee Daniel Platzman Robin Fredriksson Mattias Larsson Justin Tranter Producer(s) Mattman & Robin Imagine Dragons singles chronology "Levitate" (2016) "Believer" (2017) "Thunder" (2017) Music video "Believer" on YouTube "Believer" is a song by American rock band Imagine Dragons. The song was released on February 1, 2017, through Interscope Records and Kidinakorner as the lead single from the band's third studio album, Evolve (2017). [3] It was written by Dan Reynolds, Wayne Sermon, Ben McKee, Daniel Platzman, Justin Tranter and its producers Mattman & Robin. "Believer" peaked at number four on the US Billboard Hot 100, becoming the band's third top ten single. [4] Background In March 2017, Dan Reynolds told People that the song was inspired by his experiences with ankylosing spondylitis in 2015. He said that, "The meaning of the song is really reflecting on specific things in my life that were painful, whether it was anxiety and dealing with crowds, feeling overwhelmed by that or the success of the band, disease, going through depression—anything that was a source of pain in my life. And just rising above that, finding a place of perspective where I could be appreciative of the pain in my life and make it my greatest strength." [9] Composition According to sheet music published at Sheetchmusicdirect.com, "Believer" is a moderate tempo of 125 beats per minute. Written in the time signature of 12/8, the song is in the key of B minor. Dan Reynolds' vocal range spans from A3 to D5 during the song. [10] Music video The official music video for the song was released on March 7, 2017, on the Imagine Dragons Vevo account, and was directed by Matt Eastin. It features a boxing match between Reynolds and Dolph Lundgren, with some scenes showing what seems to be a young Dan drawing on his notepad in scenes. Dan is losing, and he says that he wants to stop, but Dolph replies "We can't." It ends with Reynolds barely conscious, while Young Dan is revealed to have sketched a symbol identical to the one on Reynolds' chest, the "Evolve" symbol. As of November 2021, the video has over 2 billion views and over 18 million likes. It is currently the most-viewed and most-liked video on the band's YouTube channel. It is also the 21st most-liked video on the platform.
