Rebirth Master Idle RPG MOD APK - Game immersive 3D graphics Rebirth Master - Idle RPG leaves game role-playing with attractive graphics and exciting gameplay. In this game, users will experience a large number of battles with different monsters. And to defeat them, players will have to choose powerful characters and develop their skills. During the battle, the player will earn experience and money, which should be used to improve the main character's characteristics. That is the only way to continue to beat stronger opponents and pass exciting missions. Gameplay is very simple Before starting each level, players will choose the most powerful armies suitable for prolonged battles. One of them must be a gunner with great destructive power or a soldier with a solid shield to be able to easily take down the enemy and complete the fight. As the player progresses through the levels, the player will unlock new armies to use and fight, but the player must be cautious in reviving his army. You will lead the army to fight, defeat all the enemy soldiers and destroy their fortress. Players will advance as far as possible in game with great features like summoning previously defeated troops to continue fighting. However, to summon that army again will cost a large amount of gold. Feature of game Rebirth Master – Idle RPG MOD APK 25 languages are supported. Supported on tablet devices. Recruit awesome heroes and equip them with weapons and gear, then send them into engaging turn-based battles.Note: You can find many other games on Modded-1.com like Pirates & Puzzles and Idle Bounty Adventures.Introduce about Five Heroes: The King's WarFive Heroes: The King's War - Fight to become the king of the treasure landWelcome to Five Heroes: The King's War, a strategy role-playing game that fans have long been waiting for. It comes from the publisher Banditos Studio, now officially available on the mobile platform to download and play for free anytime. This game will impress you with its addictive tactical gameplay, a super cast of characters, and fun graphic style. You can become the leader of the land full of treasures, command the army with many powerful heroes and conquer the enemies who guard the treasure on the map.All in all, those who love classic strategy games that combine turn-based battles will enjoy this game. It has all the elements to make for an engaging, competitive experience. Besides regular battles, the game also has PvP matches for gamers to compete with online players. These matches will come with great rewards and even ranking points.Hunt for treasure in your travels!The player's task in Five Heroes: The King's War is to fight the classic skeleton army that is plotting to destroy the peaceful land. They are looking for treasures on the map, but you will not let them do that. Start recruiting the most powerful heroes to destroy the enemies on the map and claim the treasure that should be yours. It's been a long journey with many challenges but with unique rewards. Strategists get ready to hunt and fight for justice.The main activities in the game will be in sequence, collecting heroes, forming an army, sending troops to strong points to fight, and then returning with victory or defeat. In general, it is quite simple to play because the main operation is clicking on the screen. Click to choose a hero, click to send troops into battle and then just sit back and watch what comes next. Battles will be turn-based until all heroes or enemies lose all of their HP. Victory will be decided immediately afterward.Super unique hero collectionFive Heroes: The King's War is most prominent in the character system. It features more than 500 heroes with unique looks and powerful skill sets. Each hero will fit in different positions in the squad, as they possess different stats in terms of HP, attack, protection, cooldown, and much more. The character's appearance is quite humorous, inspired by pirate warriors. So you will have many options to form your squad and create tactics.Any character can become stronger when upgraded. Players can equip him with swords, hats, armor, boots, and more. Besides, please upgrade them regularly to increase the stats. The wars are increasingly fierce, requiring constant upgrades to increase your chances of victory on the battlefield.PvP battles with great rewardsIf you find yourself capable and resourceful, gamers can participate in exciting PvP battles in Five Heroes: The King's War. This is the fiercest battleground for you to meet powerful and scheming online gamers. Each battle is a different situation, requiring each gamer to judge and make appropriate decisions to win. Glory will bring you money, wealth, and promotion points twice as much as story mode battles. But with that, if you lose, you will lose a lot of resources.Impressive graphics and vivid effectsWe are impressed with the graphic style of Five Heroes: The King's War because it is well-invested. It has a fun, small but detailed, and colorful visual design. Besides, the game context is large and diverse enough to explore for a long time. The icons are also very unique, the combat effects are vivid. In general, everything is fine to successfully depict the classic battlefield setting and the heroes. In addition, the sound is also quite great with the cheerful and catchy background music.Steps to install Five Heroes: The King's WarStep 1: Click the link at the end of this article to download Five Heroes: The King's War MOD APK at Modded-1.com.Step 2: Open "settings" on your device, go to "advanced" and enable unknown installation.Step 3: Install the game's MOD or APK file.Step 4: Wait for the installation to complete and you can play the game right away.Download Five Heroes: The King's War MOD APK for AndroidFive Heroes: The King's War will be an interesting choice for you to enjoy the unique idle tactical gameplay. This is a unique role-playing game; the player will be the king who has the right to rule all things of the country. However, life is not easy because of the strong attack from neighboring kingdoms; it seems that they want to take over my kingdom. This game will take place with a lot of significant challenges, and you need to use all your abilities to attack all those evil enemies. IDENTIFY THE TOP TASK In Firestone Idle RPG, the player will be a king with enough power and all around. Your kingdom is living in peace, and you will probably develop the kingdom in many respects to come. But now the enemies around are trying to take over everything that belongs to you and win this beautiful kingdom. However, you will not be left alone because you can stand up and fight and win back this takeover. The first task you need to pay attention to is fighting all those big enemies. The game wants you to be able to bring out your full potential with the support of the game to make it a victory. The game provides you with optimal weapons such as spears, spears, or even universal swords that can cut everything. The game will also assist you in choosing the most decisive and most definitive squad. SEEK THE SUPPORT OF HEROES The next thing you should do is find enthusiastic support from the heroes. Each hero participating will be a strong warrior who can defeat all significant enemies. Firestone Idle RPG yearns for you to be able to muster that power to attack all the enemies that appear in the kingdom. The game will also find you the intimate common ground between the heroes to draw the most necessary support. After you have gathered solid warriors, you need to upgrade the weapon system and protect the warriors. Each person will have an ecstatic combat skill, and in some cases, they will be immortal. This game is the place for them to show their full role as well as their own combat experience. Therefore, allowing them to show their skills and experience is what the game wants most of you. FIGHT TO THE END You will be given a series of maps of effective combat locations to create a great war. Players also need to follow their own groups of troops and fight all the enemies until the end. In particular, you must observe the amount of blood and the energy you have to avoid unnecessary losses. If you expend all your energy and strength, you need to get back to the starting position to channel the energy. Firestone Idle RPG will show you which weapon to use to head the right situations. Players should also power up with teammates so that when they make powerful shots, their friends also gain strength. Players also need to upgrade the weapon system to serve the next war. Moreover, it would help if you were also mentally prepared to repel all enemies in many different forms. And it would help if you also stepped up to a new challenge to create an impression for the game. The war in our kingdom is gradually coming to a complete end, and Firestone Idle RPG wants it to. The game wants you to be able to discover all the mysteries right here and discover more than your own abilities. The main thing is that the game will also provide you with a lot of support features so that you can unleash the fight without worrying about other problems. This game will add more great challenges for you to try and burn out. KEY FEATURES Use all your abilities as well as your own ability to build a powerful army to serve the battle. Identify clearly the directions of the enemy to send troops to ambush to destroy all the evil enemies. Always take advantage of all the growth of the army and add many new hero characters to help fight. Upgrade a solid weapon system and use combat vehicles to create synergy. Repel many armies and add synergy to the whole army to join the next journey. You are now ready to download Firestone Idle RPG for free. Here are some notes: Please read our MOD Info and installation instructions carefully for the game & app to work properly Downloading via 3rd party software like IDM, ADM (Direct link) is currently blocked for abuse reasons.
